Hit the Button Maths

Three-minute 7 times table starter

1. Recall four facts

Take one minute. Fill in the products. Circle one you want to revisit.

7 × 4 = _____	7 × 6 = _____
7 × 8 = _____	7 × 9 = _____

2. Play one round

Scan the code or open the activity link. The 7× table, Hard level and 30-second clock are already selected. Press Play when you are ready.

Open the matching 7× round

Use the clickable link in the digital sheet.

On paper, use the QR code or the page address below.

3. Explain one answer

How does knowing 7 × 7 help you work out 7 × 8?

Write a sentence or draw the extra group.

For the teacher

The classroom page includes the answer key and a link to the same round.
